Nourishing Faith “Providential Relationships”

Reread John 13:31-35

1. Share with the group someone who you believe God used in your life to grow your faith.
2. Share with the group someone who you believe redirected you away from faith.
3. Why do you think it is important that God grows your faith? What do you think God wants to do through people with “big” faith?
4. Read John 13:34-35. What is the primary lesson Jesus is trying to communicate?
5. Have you ever witnessed two people of faith treat each other in a negative way? What impact did it have on you or your faith or your confidence in the church?
6. Why do people hesitate getting involved in church life or groups?
7. Share a time when the group you are currently in helped you navigate or get through some difficult times?
8. *God uses relationships to impact and grow faith.* Name one thing you can do this week in response to this lesson?
